

19/4/2022

Dear Pride Retailer,

Due to the increased costs of raw materials, shipping and general cost increases, we are forced to increase the costs of all Pride liftchairs by \$50.00 per unit effective 1st of June 2022.

We continue to maintain our continuity of supply to you throughout these challenging times and suggest you increase your retail prices accordingly in line with this small increase.

Yours Sincerely,
Matthew Herbert

Director Sales & Marketing
Pride Mobility Products Australia
