Jazzy® EVO 613 Li

The Most Advanced Jazzy® Ever

The advanced comfort and versatility of the Jazzy® EVO 613 Li provides the freedom to navigate small spaces and tight corners. Its narrow base width of only 56cm makes it an ideal powerchair for moving through your home. The Jazzy® EVO 613 Li uses a lightweight lithium-ion battery that provides longer life and 25% faster charging. The high-back swivel seat provides convenience and easy access, with the additional option of a swing-away controller mount
